

A quick way to confirm a HotDoc message

HotDoc emails

- Always come from hotdoc.com.au or hotdocmail.com.au

HotDoc links

- Will take you to hotdoc.com.au or htd.io

Content typically includes

- Your name
- Your practice or doctor's name
- Your appointment details
- Private information that has only been shared with HotDoc or your practice

HotTip: Always check the spelling
